

# + Job Description

## Chief Information Officer (CIO)

As CIO, you will oversee the integration of advanced IT solutions within ALA's Fusion Marketplaces, ensuring that our digital infrastructure supports both our retail and community objectives. We seek an innovative leader with experience in managing IT for large-scale retail or real estate operations.

## Key Responsibilities

- Develop and implement IT strategies that align with ALA's goals of creating immersive, community-centric retail spaces.
- Ensure the reliability, security, and scalability of IT systems and infrastructure across all Fusion Marketplaces.
- Oversee the deployment of digital tools such as AI-driven analytics, digital signage, and customer engagement platforms.
- Collaborate with other departments to ensure that IT initiatives enhance operational efficiency and customer satisfaction.
- Lead and mentor the IT team, fostering a culture of innovation and continuous improvement.

## Qualifications

- Extensive experience in IT leadership roles, preferably within the retail or real estate sectors.
- Strong understanding of IT infrastructure, digital transformation, and customer engagement technologies.
- Proven track record of leading successful IT strategies in a multi-location, high-growth environment.
- Excellent leadership, communication, and project management skills.
- Ability to align IT strategy with business goals and drive innovation in retail environments.

## + Compensation and Benefits

- **Health Insurance:** Comprehensive coverage to keep you and your family protected.
- **Paid Vacation:** Generous time off to recharge and find inspiration.
- **Sweat Equity:** A chance to earn ownership and be part of the success you help create.
- **Salary Benefit Package:** It will be discussed in the second meeting.
