

# + Job Description

## + Chief Technology Officer (CTO)

The CTO at A Level Alliances will be responsible for spearheading technological innovation that enhances the retail and community experience within our Fusion Marketplaces. We are looking for a forward-thinking technologist who can seamlessly integrate digital solutions with physical retail spaces.

### + Key Responsibilities:

- Lead the development and implementation of cutting-edge technologies such as AI, IoT, and digital twins to create immersive retail environments.
- Oversee the architecture and development of SaaS solutions tailored for retail-commercial leasing and property management.
- Ensure the scalability, security, and performance of ALA's technology infrastructure across all Fusion Marketplaces.
- Collaborate with other departments to identify and implement technology solutions that enhance customer experience and operational efficiency.
- Stay ahead of technology trends to ensure ALA remains a leader in the phygital retail space.

### + Qualifications:

- Proven experience as a CTO or in a similar leadership role, with expertise in integrating technology with retail and real estate.
- Strong knowledge of SaaS, cloud technologies, AI, and IoT applications in retail environments.
- Excellent leadership and organizational skills, with the ability to drive technological innovation.
- Strategic mindset with a passion for leveraging technology to create unique retail experiences.
- Strong problem-solving abilities and a commitment to continuous improvement.

### + Compensation and Benefits

- **Health Insurance:** Comprehensive coverage to keep you and your family protected.
- **Paid Vacation:** Generous time off to recharge and find inspiration.
- **Sweat Equity:** A chance to earn ownership and be part of the success you help create.
- **Salary Benefit Package:** It will be discussed in the second meeting.
